

Priest Hill

Public Engagement Event

Bourne Hall

Spring St, Ewell, Epsom KT17 1UF

24th February 2026 - 3.30pm to 7.00pm

This public engagement event has been organised to give local residents the opportunity to view early development proposals for the site at Priest Hill, and provide feedback to help inform the design process ahead of a future planning submission later in 2026.

The site under consideration is the long disused sports pitches and hardstanding adjacent to Ewell East Station and north of the Sutton & Epsom RFC Priest Hill Pitches. The land has been in its current ownership since 1992.

Comments or questions?

We hope to see you at the event to share the latest proposals and discuss any comments or questions you may have. A project website will be launched on 24th February and you will be able to contact us through the website, or by phone or email:
